

Refugee Care Collective Restart Kits

Most refugees arrive to the United States with next to nothing, but you can help them rebuild their lives by putting together a restart kit. Choose a category below, place the items in a clear plastic tub that can close, and label the top of the container with the restart kit name. Please purchase new items and do not tape the tub closed. We also encourage you to include a hand-written, unsealed note welcoming the family. Thanks for helping us welcome refugees to Portland & Salem!
